Safety Data Sheet

 Identification of the substance/mixture and of the company/undertaking Product identifier: Product name: 1-(2-Fluoroethyl)-1H-pyrazole-5-carboxylic acid Product code (SDS NO): PK03812E-2
 Details of the supplier of the safety data sheet Manufacturer/Supplier: KISHIDA CHEMICAL CO., LTD. Address: 3-1, Honmachibashi, Chuo-ku,Osaka ,JAPAN Division: Chemical Safety Management Department Telephone number: +81-6-6946-8061 FAX: +81-6-6946-1607 e-mail address: kagakuhinanzenkanri@kishida.co.jp

Hazards identification
 GHS classification and label elements of the product
 Classification of the substance or mixture
 (Note) GHS classification without description: Not classified/Classification not possible
 Label elements
 No GHS label element
 No Signal word

3. Composition/information on ingredients Mixture/Substance selection: Substance Ingredient name: 1-(2-Fluoroethyl)-1H-pyrazole-5-carboxylic acid Content (%): -Chemical formula: C6H7FN2O2 CAS No.: 1198437-45-4 MW: 158.13

4. First-aid measures
Descriptions of first-aid measures
IF INHALED

Remove person to fresh air and keep comfortable for breathing.
Call a POISON CENTER or doctor/physician if you feel unwell.
IF ON SKIN (or hair)
Take off immediately all contaminated clothing. Rinse skin with water/shower.
If skin irritation or rash occurs: Get medical advice/attention.
IF IN EYES
Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
If eye irritation persists: Get medical advice/attention.
IF SWALLOWED
Rinse mouth.
Call a POISON CENTER or doctor/physician if you feel unwell.

5. Fire-fighting me	asures			
Extinguishing m	edia			
Suitable extinguishing media				
Use app	Use appropriate extinguishing media suitable for surrounding facilities.			
Unsuitable extinguishing media data is not available. Advice for firefighters Specific fire-fighting measures				
			Evacuate non-essential personnel to safe area. Special protective equipment and precautions for fire-fighters	
Wear protective gloves/protective clothing/eye protection/face protection. Firefighters should wear self-contained breathing apparatus with full face peace operated				
		positive	pressure mode.	
6. Accidental rele	ase measures			
Personnel prec	autions, protective equipment and emergency procedures			
Ventilate area until material pick up is complete.				
Wear pr	oper protective equipment.			
Environmental (precautions			
	spills from entering sewers, watercourses or low areas.			
Prevent	spins from encering sewers, watercourses of low areas.			
	aterials for containment and cleaning up			
Methods and m				
Methods and m Sweep ເ	aterials for containment and cleaning up

8. Exposure controls/personal protection

Exposure controls

Appropriate engineering controls

Do not use in areas without adequate ventilation.

Eye wash station should be available.

Washing facilities should be available. Individual protection measures Respiratory protection Wear respiratory protection. Hand protection Wear protective gloves. Eye protection Wear eye/face protection. 9. Physical and Chemical Properties Information on basic physical and chemical properties Physical state, Color: white solid. Odor is not available. Melting point/Freezing point data is not available. Boiling point or initial boiling point data is not available. Boiling range data is not available. Flammability (gases, liquids and solids) data is not available. Lower and upper explosion limit/flammability limit data is not available. Flash point data is not available. Auto-ignition temperature data is not available. Decomposition temperature data is not available. pH data is not available. Kinematic viscosity data is not available. Solubility:

Solubility in water data is not available.

n-Octanol/water partition coefficient data is not available.

Vapor pressure data is not available.

Density and/or relative density data is not available.

Relative vapor density (Air=1) data is not available.

No Particle characteristics data is not available.

10. Stability and Reactivity	
Reactivity	
N.A.	
Chemical stability	
Stable under normal storage/handling conditions.	
Possibility of hazardous reactions	
N.A.	
Conditions to avoid	
Contact with incompatible materials.	
Contact with fire source.	
Incompatible materials	
Strong oxidizing agents	
Hazardous decomposition products	
Carbon oxides, Nitrogen oxides, Fluorine, Hydrogen fluoride	

11. Toxicological Information Information on toxicological effects

Acute toxicity data is not available.

Irritant properties

Skin corrosion/irritation data is not available.

Serious eye damage/irritation data is not available.

Allergenic and sensitizing effects data is not available. Mutagenic effects data is not available. Carcinogenic effects data is not available. Reproductive toxicity data is not available. STOT STOT-single exposure data is not available.

STOT-repeated exposure data is not available.

Aspiration hazard data is not available.

12. Ecological Information Ecotoxicity Ecotoxicity data is not available. Persistence and degradability Persistence and degradability data is not available. Bioaccumulative potential Bioaccumulative potential data is not available.

Mobility in soil

Mobility in soil data is not available.

Other adverse effects

Ozone depleting chemical data is not available.

13. Disposal considerations

Description of waste residues and information on their safe handling and methods of disposal, including the disposal of any contaminated packaging

Waste treatment methods

Dispose of contents/container in accordance with local/national regulation.

14. Transport Information

Not applicable to UN No., UN CLASS Not applicable to IMDG Code Not applicable to IATA Dangerous Goods Regulations Environmental hazards MARPOL Annex III – Prevention of pollution by harmful substances Marine pollutants (yes/no) : no

15. Regulatory Information

Other regulatory information

Ensure this material in compliance with federal requirements and ensure conformity to local regulations.

16. Other information

The product is not applicable to GHS classifications.

General Disclaimer

This data sheet was created based on the information we currently have and may be revised according to new information. In addition, the precautions apply only to normal handling, and in the case of special handling, please make adequate countermeasure to maintain your safety.

The data given here is based on current knowledge and experience. The purpose of this Safety Data Sheet is to describe the products in terms of their safety requirements. The data does not signify any warranty with regard to the products' properties.

The GHS classification data given here is based on current Japan official data (NITE published in 2018).
